Dear Mr. Marsten:

Thank you for your letter of 29 July enclosing correspondence you received from [] concerning his interest in future employment with the Central Intelligence Agency. The enclosed brochure contains general information concerning employment with this Agency. In addition, you might wish to advise [] somewhat along the following lines:

The Central Intelligence Agency conducts continuing recruitment of bright young men and women who wish to make their careers in intelligence work. The range of qualifications required by the Agency is so broad that many courses may lead to appointment. A good knowledge of history, interest and familiarity with international affairs, and foreign language knowledge are important regardless of the individual's field of academic specialization.

Your interest in writing to me in [] behalf was appreciated and I hope that the information supplied above will be helpful to you in responding to his inquiry. I am also returning his letter to you as you requested.
